MEMO

At the time of inspection of Arsikere Town on 17-3-1947 morning it was noticed that one Sri Kara Venkatararasetty has been constructing godowns opposite the Shandy maidan along an important road This building is not in a line with the adjacent buildings Further it is very close to the main road besides being located in a very busy centre It is therefore considered desirable to keep this building in a line with the adjoining buildings and to leave a large vacant space in front of the shandy maidan This is a private site and this has to be acquired for that purpose The Amildar President of Arsikere Municipality is requested to take further necessary action in the consultation with the Municipal Council Since license has been granted to Sri Kara Venkatararama Setty it is necessary to suspend the same for the present until this question is decided

It is therefore directed that the license granted to Sri Kara Venkatararama Setty be suspended under Section 184 of the Town Municipal Act At the time of my inspection yesterday the building has been complete up to the basement level only The Amildar President is requested to withdrawn the license and expedite action re the acquisition of the site required to keep in line with the adjacent buildings
